## By Will or Codicil or Covenant

May we suggest to Legal or Financial Advisers that when questions of their clients' benefactions arise the worthiness of The Royal Air Force Benevolent Fund may be wholeheartedly and deservedly commended.

The Royal Air Force Benevolent Fund has for its object the relief of 'distress' actual or potential amongst past and present members of all ranks of the Royal Air Force, Royal Auxiliary Air Force, Royal Air Force Reserves and the Women's Royal Air Force. It assists the widows and dependents of those who lose their lives and helps with such vital issues as housing and children's education. It gives practical assistance to those suffering on account of sickness and general distress.

The need for help in nowise lessens in peace or war. Our immeasurable gratitude to that 'Immortal Few' can hardly cease while memory itself endures.

# A Deed of Gratitude

A legacy for the Methodist Homes for the Aged is a means many generous people adopt in expressing gratitude for their own home, and for serenity and peace-of-mind in their old age. Our constantly growing income from legacies more than any other factor, has enabled us to embark on the capital expenditure for twenty-eight Homes. Unfortunately even these will accommodate only a few of the hundreds of deserving people on the tragically long waiting list. We thankfully acknowledge this valuable assistance and ask you please to remember the Methodist Homes for the Aged when advising your clients.

## THE HARRISON HOMES

(founded in 1869)

### CENTENARY APPEAL

This Charity owes its origin entirely to voluntary efforts which is still a feature of its activities. Homes are provided for the elderly in need. The residents by personally furnishing a separate room retain links with their past. They enjoy complete independence but with the benefit of a community life and of nursing services when necessary. When unable to care for themselves they are looked after in our own Rest Home which has accommodation for 20.

Work has been completed to provide 25 more rooms making a total of 170, and also to improve the standard of 40 rooms in very old properties. Funds are urgently needed for the building work costing £200,000, which is our Centenary effort, and to meet ever-mounting general costs.

Further particulars may be obtained from:
